SB210

I oppose SB 210

Vote by Mail has been the law in Oregon since 1981. I have found it a convenient method and have never heard a single complaint from other Oregonians, except a few on the right side of the political spectrum. Imagine requiring elderly, disabled and others constrained by geography or transportation issues to vote in person, not to mention military service members. This bills intent is to fix the largely non-existent issue of voter fraud. Do not take away the voters rights to coddle the few who will do anything to take all political for themselves!
