Subject: SB 201

Hello:

I'm writing to strongly OPPOSE the bill SB 210 submitted to the Oregon Legislature that would repeal our vote-by-mail system. This has been one of the features (among many others) that makes Oregon a wonderful place to live. Now I have joined many other seniors in a retirement community, because getting around is more difficult. Issues often come up that would greatly affect us, but passage of this bill would make it nearly impossible for us to exercise our right to make our voices heard. Please don't deprive us of that!

Your consideration is appreciated, and please do not allow the passage of this biased bill!

Thank you,
