

Submitter:

Wendy Schumer

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Writing to firmly oppose SB210. Vote by mail is an essential tool for all Oregonians especially the elderly and disabled. Oregon has had very strong success with this process. Changing it would disenfranchise so many eligible voters. Plus we've been doing it for a long time. Our process is clean and it's successful. Do no change what we have.
