

Submitter:

Debra Gwartney

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I realize that with a strong democratic majority, this bill has zero chance of passing in Oregon, but the fact that it has been introduced and is getting a hearing is terribly troubling to me. Our vote-by-mail system is super successful, super inclusive, and promotes our Democracy. It must be protected!

Thank you.
