SB210

Mail in voting gives voters a chance to more deeply look into the measures. Are you trying to promote the public to be more unaware for the oligarchy's benefit? It's more cost effective and easier to manage. It gives accessibility to every registered American. It IS safe and secure.

Do not take us back in time to waiting in long lines (in the rain) with anxiety and a time crunch making people more likely to mess up their vote in already convoluted phrasing on policies.
