SB210

I oppose this measure. Voting by mail is secure and gives all Oregonians access to voting. I love the ability to research candidates and measures from the comfort of my home in order to make an informed decision. I also love that I can vote when convenient for my busy schedule as a full time working parent. I wouldn't be able to take time off to vote in person on one specific date on the calendar. Restricting voting to in person disenfranchises many Oregonians who have the right to vote. I strongly encourage you to vote NO on this bill.
