Measure, Appointment or Topic:	SB210

I believe that the passing of this bill will ensure that Oregon residence will have better accountability in our election process.

I believe the passing of this bill will also give us a choice in how we vote. Those who still need to submit through absentee methods will have that accessible.

It is time to bring back in-person voting. It is time to bring back clear and clean election/voter accountability.

Please vote in favor of this bill

Thank you
