

Submitter: John Schuyler

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Oregon's vote by mail is a shining example to the rest of America as to how a state can efficiently and safely conduct elections. When initially adopted, it had full bi-partisan support. The current effort to repeal vote by mail is a misguided attempt to suppress voting rights by a lunatic fringe movement. I strongly oppose SB 210.
