

Submitter:

Donna Dimski

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Oregon's mail-in voting has worked well for many years. There is no documented evidence that fraud has been a problem- if it works, don't fix it! Making election day voting the primary way people can vote will decrease the number of votes, and the voices of many Oregonians will not be heard. Please do not pass this bill!
