On Behalf Of:	Oregon voters
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB210

Good morning,

As a lifelong citizen of Oregon, I oppose mail in voting.

There are many good reasons to abolish mail in voting and bring back in person voting along with showing identification. It has been proven that there is nefarious voting going on in our elections. For over 40 years, since the adoption of mail in voting, a conservative has not governed our state. I personally believe this is due to fraudulent and illegal voters and certain counties get their voices heard, while others do not. The local news has also reported on this.

Same day voting will keep it fair for all voters.

Thank you.
