

Submitter:

Christopher Cummings

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Oregon's mail-in ballot procedure is a model for other states to follow if they want a balanced, safe and easy answer to voting. Don't fix something that isn't broken. The President's executive order is a non-binding gesture and as such will not become law. Oh...and the premise is wrong, misguided and unfounded.
