

Submitter:	Holly Cook
On Behalf Of:	Saving Democracy
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB210

I support this bill because Oregon needs confidence in their voting system process. In Oregon I have to show ID to see a doctor, buy weed or alcohol and test drive a car or buy a cell phone.

It should be standard protocol. The same people voting go to other establishments asking for ID.

Let's do the right thing.

Thank you,
Holly Cook
