Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Mail in voting is safe, efficient, convenient and practical. It's worked for Oregon for years with no serious problems. Trying to change it now only has one purpose - disenfranchising those who will more probably vote against those in support of this measure.

Every effort should be made to make voting MORE accessible to all Oregonian citizens.

This measure is ill-intentioned and should be condemned and rejected.
