

Submitter:

Gary Larson

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I strongly opposed this restriction on my ability to cast my vote. It has been proven that mail in voting in Oregon has produced little to no fraud in our many elections. This bill will put undo burdens on many Oregonians including myself. Don't take away Oregonians abilities to participate in our government.

Thank you
