

Submitter:

Emily Cigarroa

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

As I travel around the country, I'm always shocked by how hard it is for others to vote. I have always been proud of being an Oregonian because of our progressive stance on vote by mail. I am always amazed by our voter turnout, and that is because of the accessibility of vote by mail. Please do not take away people's voices!
