

Submitter: Sharon Walker

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I write in support of mail in voting and oppose in-person voting. In-person voting is very inconvenient for people - especially the elderly and disabled. Why should folks be forced to stand in line for potentially hours in adverse weather. Also, it takes time out of your work day and many don't have employers that would allow them to take that time off. Lastly, why would the great state of Oregon bow down to the whims of Donald Trump? Thanks you.
