

Submitter:

Hilary Trzynka

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Grandma lives in an assisted care facility. She is smart and thoughtful but strokes have robbed her of mobility. Her physical condition does not allow her to visit a polling location to vote her opinion. Vote by mail permits her voice to be heard in our democratic society. Please preserve vote by mail. Her voice is as important as any other.
