Renae Rogers

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I urge you not to repeal mail in voting. It is a safe,,reliable way for all residents to submit their votes to be counted. The current disaster of an administration in DC has already taken away too many of our choices, and wants to make voting less safe and reliable so they can further their evil agenda.

Respectfully,

Renae Rogers
