Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Mail in voting provides a critical avenue for those of us who are unable to vote in person due to various reasons such as disability, work commitments, or living in remote areas. Restricting voting solely to in person methods disenfranchises many eligible voters. Mail in voting ensures that every citizen has the right and opportunity to vote and participate in the democratic process. Eliminating mail in voting would undermine our foundational principles and weaken the integrity of our democracy.
