SB210

Hello,

I strongly oppose sb 210. If it passes, thousands of Oregonians who would otherwise be able to vote will not be able to. Individuals with children, those who are sick, those who work low wage jobs and would not be able to take the time off to vote would not have a say in our future. Mail in voting is easy, convenient, and acts as a great equalizer in our voting process. While it may seem patriotic to stand in line for 5 hours to make your voice heard, it is not worth the sacrifice of voting access.
