

Submitter: Joana Kirchhoff

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SJR30

Oregon's initiative petition rights have stood for over 120 years. They historically passed ideas that were popular with the public but unpopular with politicians such as civil rights and women's right to vote. The petitions have been an important tool for representation for many Oregonians, especially those with limited economic resources.
