

Submitter: Lynda Spangler

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

As a voter in Josephine County OR, I would like to express my opposition to SB210 for the following reasons:

1- There is no stated reason why there is a necessity to change the current system. There appears to be no evidence of fraud or violations of the voting statutes.

2-This bill discriminates against the elderly and voters of limited means, due to the expense of traveling to the poles.

3- It creates an undue burden on counties by requiring them to staff polling stations, heat polling stations and provide security for polling sites.

4- Vote by mail has proven over decades that it is efficient, fiscally responsible and user friendly.

Please consider a no vote on this frivolous legislation.
