

Submitter: Carolyn Sachs-Okonek

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

We love the fact that Oregon does mail in ballots.

Most of us cannot take time away from our busy rural lives.

We signed on to vote at the DMV and the process was easy and effective.

Please keep mail in ballots.

It's safe, convenient and more people are able to vote who normally wouldn't be able to vote in person.

Ranchers

Farmers

Loggers

Rural medical workers
