SB210

I

believe this bill undermines the accessibility and inclusivity that have been the hallmarks

of Oregon's electoral system for decades. This bill seeks to solve a problem that does not exist; to fix a system that is

not broken. In fact, Oregon serves as a model for the rest of the country.

SB 210 represents a significant step backward for voting accessibility in Oregon. By dismantling the proven vote-by-mail system and imposing restrictive measures, this legislation threatens to disenfranchise countless voters and erode the inclusive democracy

that Oregonians have long championed. I urge you to oppose SB 210 and to continue

supporting policies that make voting as accessible and equitable as possible for all citizens.
