SB210

I'm a busy grandmother with child care responsibilities who doesn't want to or I would not be able to stand in line waiting to vote. I voted in Colorado by mail in ballot as well. I don't believe that there are ANY issues or fraud with mail in ballot. The current leadership in the US wants us all to think there is a "boogie" man or dead people voting to make us all fear the worst. The worst thing that's happened to this country is the current "president" (it's in quotes because I didn't want him)!
