Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I am submitting testimony in strong opposition to Senate Bill 210. Oregon has been a national leader in developing and administering a universal vote-by-mail system that encourages and facilitates voter participation, while maintaining the security and integrity of the vote. Oregon's voting rules and regulations already ensure that only eligible citizens cast votes; and our vote-count processes identify and prevent any attempts at voter fraud. SB 210 is based on unfounded claims of voter fraud and election interference-- and is in line with a nationwide effort to reduce voter participation, disenfranchise countless voters and erode the participatory democracy that we all cherish here in Oregon. I urge you to oppose SB 210 and to continue supporting policies that maintain our vote-by-mail system and promote citizen engagement.

Thank you.
