Measure, Appointment or Topic: SB210

I am strongly opposed to SB210. I believe it is an answer to a problem that doesn't exist, namely it seeks to prevent fraud and unqualified voters from voting in Oregon elections. We do not have a problem with voter fraud, and have a strong track record of checks and balances that assure that qualified voters may participate freely without barriers because of their work schedules, lack of child care, or transportation to a polling site. This proposal would take us backward and reduce the level of participation in Oregon elections. I oppose it.
