

Submitter:

Kara Brinkman Addams

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Oregon has been at the forefront of making sure everyone has a voice, and vote by mail has made that a reality. Rather than rolling backward to make voting difficult or impossible for marginalized citizens please think about how you could, instead, keep voting access safe and secure for all! Please do not cower before the authoritarians in Washington, stand firm for democracy!
