Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Voting by mail truly makes democracy. As a busy working mother with three small children, taking an entire day to go vote would be a huge burden. Voting at home allows me to take the time to fully research what I am voting on and fill out my ballot in the windows of time I have during my incredibly busy life. It is inclusive, efficient, and a huge benefit to our society. Adding a barrier to voting will harm the most vulnerable in our society.
