

Submitter: Adam Auler

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I strongly oppose any bill that would take away Oregonian's vote by mail system. My grandfather, Attorney General Hardy Myers, would not have agreed with any measure, initiative, or bill that takes access to democracy away from the people of Oregon. Many people cannot get to polls for various reasons, but their votes are equal to every other citizens. It is crucial that we stand united as Oregonians and protect equal ballot access via mail for everybody.
