Measure, Appointment or Topic:

SB210

I oppose changing OR law to return to in-person voting as the primary method to submit a ballot. Requiring in person voting limits voting to those more able-bodied and affluent enough to have the mobility and leisure to get themselves to a voting place. Mail in ballots assure more ready access to more voters, thus enabling more democratic participation in elections. Should we return to in person requirements many legally eligible voters will be excluded from participating in elections.
