

Submitter:	Lisa Ryan
On Behalf Of:	Self and all residents
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB210

The only thing this bill serves to do is limit the number of people submitting their vote. Passing this bill would be tantamount to voter suppression as well as ableist. We cannot let our beloved state collapse under the influence of the current fascist federal regime. This bill would set us back. Thank you.
