

Subject: Protect Oregon's Vote-by-Mail – Submit Testimony Against SB 210

Dear Committee,

I am writing to express my strong opposition to Senate Bill 210, which would repeal Oregon's vote-by-mail system. As you may know, this bill is scheduled for a public hearing on Monday, March 31. It is imperative that we take action now to defend our secure, accessible, and time-tested election system.

Oregon has been a leader in vote-by-mail for over 20 years, providing a reliable, secure, and convenient way for voters to participate in democracy. Our system has increased voter turnout, reduced administrative costs, and ensured election security through signature verification and ballot tracking. Any attempt to dismantle it threatens the integrity and accessibility of our elections.

Efforts to ban mail voting are part of a broader national movement that undermines trust in our electoral process. We cannot allow misinformation and political agendas to strip away our right to vote safely and conveniently.

I urge you to submit written testimony opposing SB 210 before Monday morning. You can do so at this link: [Insert Link Here]. Your voice matters in protecting Oregon's democracy.

Thank you for standing up for fair and accessible elections.

Sincerely,

Beth Glosner
