

Submitter:

Karen Henson

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I oppose this bill. This bill will make it more difficult for many working citizens, the elderly, and those with disabilities. This is another attempt to take our voting rights away, even though the present system has an excellent record. We should be making the ability to vote easier, not more difficult. Leave our vote by mail system alone.
