SB210

Don't you dare even think about eliminating mail in voting. Oregonians are overwhelmingly in favor of mail in voting, and you, the state legislature, are voted in to represent the Oregon people. You are not in office to bend the knee to the fascist Trump regime. Let me repeat that. You are in office to represent the Oregon people. You are not in office to bend the knee to the fascist Trump regime. I suggest every one of you adopt that mantra as we navigate the hellscape that's being thrust upon us. We elected you to protect us and to serve our needs. Making voting harder neither protects us, nor does it serve our needs.

I am an Indivisible member, one of thousands in the state of Oregon, and we are paying attention to your actions.

We will vote you out if you are not responsive to our needs.
