

Submitter:

Jesse Sticka

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I believe mail in voting is a great benefit to our state. It allows voters time to research and educate themselves on proposed measures and candidates in a relaxed non pressured environment. I also believe it results in a higher turn out for individuals who may not have the ability to take the time off work or the ability to transport themselves to the voting stations.
