SB210

I oppose eliminating our great and equitable Oregon mail-in voting system. It works well for everyone, no matter which party they're in. It's convenient. People don't have to lose pay by missing work in order to drive to the polls, or get day care for their kids in order to stand in the long lines, as is the case in some states and districts. Our system works well and is devoid of fraud. We have the time to pore over the Voter's Pamphlet detailing the candidates and initiatives, and then research our questions from there. Don't fix what is not broken!
