

Submitter: Laura Lawrence

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Vote by mail is the most effective way to get the vote out in the USA. Don't let those Trump-related morons change what we do. The Republican party has tried for decades to reduce access to voting for all Americans. There is no good reason to eliminate voting by mail. There is no fraud. There is no voter fraud of any substance anywhere in the USA.
