SB210

I strongly oppose SB 210. Oregon has long been a national leader in secure, accessible, and trustworthy elections—thanks in large part to our vote-by-mail system. This bill threatens to dismantle a proven method that ensures every eligible voter can participate safely and conveniently. Vote-by-mail increases turnout, reduces barriers, and upholds democratic values. Stripping away this system is a step backward. I urge lawmakers to reject SB 210 and protect Oregon's commitment to accessible and secure elections for all.
