I OPPOSE THIS BILL. MAIL- IN voting has worked for years here in Oregon. It allows EVERYONE the opportunity to vote. There is no evidence that there is fraud and corruption in the practice of mail-in voting. We simply cannot allow the Republicans and this administration to seize control over the voting process. We have few vehicles to stop the destruction of our democracy by this corrupt administration, and voting by mail must be preserved in order that each and every one of us has the ability to have a voice in this country.
