SB210

It would be hugely wasteful for Oregon voters to have to vote again on vote-by-mail. Thanks to our vote-by-mail system, Oregon has the highest rate of voter turnout in the nation. Although some people feel nostalgia for their long-ago visits to a polling place, a YouGov poll in 2020 found that 77 percent of Oregonians favor vote-by-mail. Those who suggest we end vote-by-mail and require that people present documents before they can vote in person only want to make our voting system less democratic. I therefore strongly oppose SB 210.
