

Submitter:

Curtis McAllister

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Mail-in voting has been well proven in Oregon over nearly 40 years. It's the method of voting that elected the current class of representatives and senators. So, it's both ironic and suspicious that a Republican in favor of protecting our 2nd Amendment rights is suddenly sponsoring an attack on our democracy. What tyranny does he think the 2nd Amendment is supposed to protect us from? What does Brock have to gain by disenfranchising his constituents?
