

Submitter: Stephanie Pino-Heiss

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Oregon voters with disabilities, seniors who can no longer drive, those of us who work long hours at physically demanding jobs are all disenfranchised by in person voting. Women with small children, and chronically ill voters find it very difficult to vote within a short time frame of one day. We have very little fraud, excellent voter turnout and "if it ain't broke don't fix it!" Thank you for supporting mail in voting!
