

Submitter:

Sarah Hood

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

This bill is anti-democratic. As a nation, we should be making it easier, not harder, for everyone to be able to vote. It doesn't matter WHO you vote for. What matters is that you are ABLE to vote. I vehemently oppose this bill and hope that it is not enacted here in the state I love. Thank you.
