The right to vote in this country is fundamental to our freedoms and everyone should be able to cast their vote without unnecessary barriers. Voting by mail has been shown to be safe and secure, with a long history of success. It allows people who may otherwise have difficulty getting to poll sites the opportunity to exercise their constitutional right to vote. Claims of election fraud related to mail in ballots have been proven to be false. SB 210 undermines one of the most important aspects of our democracy. I urge you to oppose this bill!
