

Submitter: David Thulstrup
On Behalf Of: myself
Committee: Senate Committee On Rules
Measure, Appointment or Topic: SB210

I strongly object to this attempt to stifle voting by taking away voting by mail in Oregon. We want it to be easier to vote in any election, not harder. Those trying to take our voting by mail away are trying by false claims to limit access to voting in order to hijack our Democracy.

Sincerely

David Thulstrup
