SB210

I am a voter in Jackson County. I am totally against making in-person voting the only method of voting. Too many of your constituents are unable to get to the voting place - this bill is discriminatory against elderly people, people with mobility issues, people unable to take time off from work to vote, and many others. This bill is anti-Democracy. Do NOT take us backwards. We want MORE people to vote, not fewer, so that your constituents feel that their voices are HEARD!
