

Submitter: Lura Frazey

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Mail-in voting is good keeps our elections secure and accessible. It has a history of success that dates back to the Civil War. Today, it preserves the ability to vote for the elderly, sick, disabled, students attending college in another state, and anyone else whose circumstances make voting in person untenable. In addition, it allows us to take our time and research issues we are voting on as we complete our ballots. Do not end mail-in voting.
