

Submitter: Mary Burch

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I am opposed to requiring in-person voting. This will make it much more difficult for Oregonians who are disabled, lacking transportation, or who live in rural areas to exercise their Constitutional rights. If the concern is "dead people voting," perhaps a better way around this would be requiring voters to re-register every four years. This would also serve as a reminder for Oregonians who need to change their address or party affiliation.
