Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

It is my opinion that having to prove citizenship in order to vote should be required at every election opportunity. While I do not think mail-in voting is a major problem in Oregon, at the age of 89, I am still willing to have to appear in person to vote as long as I am able. Voting must be restored as a true obligation, privilege, and best method of installing leadership.
